

# EAST MANCHESTER TOWNSHIP LEAF COLLECTION

2017

## **BURNING LEAVES IS PROHIBITED**

- Collection will begin Monday, October 30<sup>th</sup>, 2017.
- The best way to handle leaves is to mulch them with a mulching mower or compost them and use for landscaping and gardening. If mulching or composting is not an option, leaves can be raked to the curb for pick-up.
- Rake your leaves out as soon as possible. Due to unknown weather conditions it is impossible to schedule specific days. Our crew will continue moving throughout the township until the last day of pick-up.
- Place leaves curbside in windrows (long narrow piles) for easier pick-up.
- LEAVES ONLY – NO STICKS, BRUSH, TRASH or ANIMAL WASTE.
- Last day of pick-up will be Friday, December 8<sup>th</sup>. Leaf equipment will be removed from trucks and snow equipment installed.

Questions? Call the township office at 717-266-4279.
