

East Manchester Township Residents

This is your Trash Cart and All In One Recycling cart from Republic Services. If Penn Waste hasn't already removed their carts, please leave them out so they can remove them after they service it on June 22nd. After June 22nd, trash and recycling collection will occur with these new Republic Services carts you've just received. These carts are provided at no additional cost to you, it's part of the new contract pricing where Republic Services was the lowest bidder during the East Manchester Twp bid. Please ensure your trash and recycling are out for pickup no later than 5:00 am on Wednesday the day of pickup. Your service day will remain the same with this new East Manchester Township Contract and the first pickup with Republic Services is on Thursday July 7th due to the one-day delay because of the Independence Day Holiday.

When placing your trash and recycling carts out for pickup, please ensure that the carts are at least 3 feet apart and are also at least 3 feet from any stationary objects like mailboxes, walls, vehicles or trees. The carts should also be placed with the handles facing toward your house so that the side that opens is facing the road.

Because we will be servicing carts with automated trucks and need to have room for the claw to grab the carts to dump them, it's important that you keep this 3 feet of space around the carts.
