November 1, 2021

East Manchester Township
5080 North Sherman Street Extended
Mt. Wolf PA 17347
Attn: Ms. Kristie Masemer

Dear Kristie,

Penn Waste has been notified that effective January 1, 2022, disposal rates at the York County Resource Recovery Facility are increasing \$2.50/ton. The York County Disposal Plan mandates that all municipal-like waste be disposed of at the York Incinerator. Please see the attached letter documenting the increase. As a result of this disposal increase, Penn Waste will need to increase its quarterly rate per home by \$0.66 per quarter. Your original rate for January 2022 was \$56.77 per quarter for basic service customers and \$65.77 per quarter for Toter service customers. The new quarterly rate for East Manchester Township will be \$57.43 per quarter for basic service and \$66.43 for Toter service effective January 1, 2022. This figure was arrived at by using the township's historical 2020 figures for a total of 2804.26 tons.

Tag-a-Bag customers will not be increased.

Penn Waste looks forward to servicing the residents of East Manchester Township and to providing quality service.

Sincerely,

A handwritten signature in blue ink, appearing to read "Joel Washok".
