The following were reviewed and discussed; almost all roads on the east side of the Township, half the roads on the west side of the Township, some paving in Dauberton, some paving on Steamboat Blvd., some paving and widening on Blossum Drive, paving on Riverview Road, toured Area 2 Sewer Project roads, toured Canal Road and Locust point Project, toured Bear Road for upcoming projects, and North Sherman Street for PennDOT stream embankment issues.

After all Township Roads were reviewed, Mr. Haugh and the three Board members toured local businesses and upcoming building sites. This included businesses within the industrial parks, Ollies, Johnson Control, Kinsly Phase 2 on Canal Road, Hillwood Project on Locust Point Road, Rolling Meadows at Meetinghouse Road, and Core5 Project on Busser Road.
