Dear Resident,

This letter is to inform you of recent changes to your local ambulance service, Northeastern Area EMS, and its membership program.

Northeastern Area EMS was acquired by and is now operated by WellSpan EMS. WellSpan EMS is committed to delivering the same exceptional emergency medical services that your community previously received from Northeastern Area EMS.

If you have a current membership with Northeastern Area EMS which expires on May 31, 2023, WellSpan EMS is extending your coverage until July 31, 2023. At that time, a new membership program will be offered by WellSpan EMS, with a wider service area and affordable rate structure. Rest assured, there will be no lapse in your coverage!

In the coming months, you will receive a new membership brochure from WellSpan EMS with details on the program and how to subscribe. Our membership will run July 1, 2023, through June 30, 2024.

We look forward to providing your community with outstanding emergency medical services and we appreciate your support and understanding during this transitional year.

If you have any questions or concerns, please contact our membership line at (717) 736-4666 to speak with one of our qualified membership representatives.

Sincerely,

WellSpan EMS
